

## **No-Solicitation Policy**

The Board of Directors of the Chatham Christian Senior Citizens Home of Chatham has instituted a policy that no solicitation will occur in the apartment building.

Do not allow strangers in at any time. Let them ring the tenant they wish to see, it is that tenant's responsibility that no soliciting is done.

Please do not put posters on the bulletin boards, on the shelf in the entrance or put flyers under the door of the apartments.

The only exception being for church or choir related events.
